Franklin Avenue Industrial is a small one baseboard Model Railroadz route inspired by the track plan, 59th Street Branch by Stan Sweatt as featured in Model Railroader Workshop Tips.. With several industries that require multiple switch maneuvers to properly spot cars, you'll need to exercise your critical thinking skills to navigate the maze of tracks around Pete's Candy and the lower yard.. Franklin Ave is located in Anywhere USA but contains mostly North Eastern influence. [Crack proshow gold 1 32 slot](#)
